A Weekend Workshop with
Dr. Marc Gafni and Dr. Kristina Kincaid

OCT 4-6, 2013 • 150 W 28 ST, STE 1803

FRI 7-9:30, SAT + SUN 10-5:30 • \$295

- **FREE! A Dialogue on the evolution of LOVE, SEX and EROS Friday, Oct. 4 from 7-9 PM • between Dr. MARC GAFNI and WARREN MOE, DIRECTOR, INST. OF CORE ENERGETICS**

At this key time in history we are called to evolve and embody Love, Sex and Eros! The sexual is the ultimate spiritual master. Deep understanding of the sexual is the ultimate guide to accessing the spirit in every dimension of our reality. To be a great Lover — an Outrageous Lover in all facets of your being — you must listen deeply to the simple yet elegant spirit whisperings of the sexual.

IN THIS WORKSHOP, YOU WILL LEARN:

- to deeply understand the powerful relationship between the erotic and the holy
- the difference between ordinary and extraordinary sexing
- to access the difference between Love, Sex and Eros
- to liberate eros in every dimension of your sexual and nonsexual life
- to radically submit and accept the sexual as your wisdom teacher
- to access the full power of sexual fantasy as a tool for your liberation and empowerment
- why hot sex is not secular but sacred
- to navigate the razor's edge between domination and submission and mutuality
- the distinction between raunch and ravishing, submission and surrender
- the 3 levels of consciousness and how they will change your entire sexual experience
- why most sexual failure is not a crisis of technique but of imagination
- how to move through the abuse of the sexual to sexual integrity (integration of the sexual)

JOIN US for a weekend of **quivering tenderness, profound heart meditation, mind-bending experiences, embodied practices, ecstatic study, wild goodness, deep truth and radical personal transformation** — and, if you dare, the evolution of your own enlightenment. Step up to play a larger game — that of the Outrageous Lover, which is no less than the evolution of love itself!
